

- The cleaning and sanitizing items are installed in the club and will be required to use by ALL members when using the club.
- We placed wall mounted hand sanitizer stations by the front door and in the range, wall mounted soap stations and paper towel dispensers in each bathroom and a paper towel dispenser and a bottle of sanitizer for use on the range.
- We also configured the club with tables and chairs to control the flow inside the club to direct members on following the guidelines. Signage is posted. **Please do not disturb this setup.**

When at club, members are required to do the following when entering, during using and leaving the club:

- 1) All members must sign in and out. This has always been club policy.
- 2) Maintain a safe/social distance from each other.
- 3) Wear a face mask or covering while in the clubhouse. **No exceptions.**
- 4) Wash your hands at the time of entry and exiting to prevent or minimize any touch contamination.
- 5) Use of the exhaust fan while using the range is mandatory.
- 6) While shooting, keep at least one lane open between shooters. **If lanes are not open you must wait.**

7) When you are done using the range, after picking up your brass and stowing your gear, spray sanitizer on your lane surface and wipe down your lane before leaving. Please return the spray bottle to the top of the paper dispenser.

8) Wash your hands before exiting the club. Please remember to sign out.

Stay safe!

The Executive Committee of the Binghamton Rifle Club
